## *Business Services for Subscribers*

Appreciation must be expressed for the number and the quality of the advertisements in this issue. Without the revenue derived from this source, the price of The Directory to its subscribers would be prohibitive. The announcements in the front and rear sections have been carefully selected and scrutinized to the end that their statements may be accepted with confidence.

The serviceable *Classified Buyers Guide* has been expanded by the addition of many new advertisers, so that the 674 different product and service classifications present a greater choice than ever before. Almost any product or service needed by church, school or institution, is indexed in the thousands of source listings which follow.

Whenever you want to know "who makes it," "who supplies it," or "who can do it" — consult this *Buyers Guide* presented below for your greater convenience. Subscribers who make it a practice to study the *Classified Index* and the advertisements to which it is the key, find it quickly solves their problems of supply, equipment and maintenance.

*Your mention of The Official Catholic Directory* when responding to advertisements will be helpful to you as well as to the advertisers and the publishers.

## *Revised Summary of Statistics*

Subscribers generally, statisticians and analysts in particular, will find the presentation of Catholic statistics in the *General Summary* of greater help than ever before.

The 63 categories of personnel and institutions have been regrouped, starting with religious personnel; parishes and missions; educational institutions and students; teaching personnel; charitable and welfare institutions and services, and the vital statistics for the year just ended.

Totals for all categories are given for the component dioceses of each State and for the nine major sections of the U. S. A. The tables comprise some 11,533 statistics and are an exact break-down of the Catholic market in the United States, presented in standard statistical form for easy reference and comparison.

The new tables for January 1, 1961 follow the United States section of this Directory.

# 51,501 Reasons Why

## "they are the Perfect Solution of Our Mailing List Problems!"

Many of those, who in the past have had to depend entirely upon the pages of this Directory for their mailing lists of the Reverend Clergy and Institutional Superiors, are now enthusiastic and regular users of *The Official Catholic Directory Mailing Lists* because of their outstanding and exclusive features.

## O. C. D. Mailing Lists

are AUTHORITATIVE and OFFICIAL LISTS
FULLY SELECTIVE • ACCURATE • COMPLETE
UP-TO-DATE • CORRECT IN ALL DETAILS
FAST, EASY AND INEXPENSIVE TO USE

★ Over 51,501 clean-cut metal plates include all pastors; individual clergy; all institutions, religious, educational and welfare, in 5 main lists and many special classifications, fully selective not only by states but also by separate dioceses.

★ The addressing plates carry the full name of the individual, *with the proper ecclesiastical rank and title,* as well as the correct initials of the Religious Order wherever appropriate.

★ The accuracy of O. C. D. Lists *is maintained by continuing reports from official sources* of all changes as they become effective; it is thus now possible to compliment the recipients of your letters by addressing them properly in every instance by their individual names and correct titles.

★ O. C. D. Lists are used by the United States Government, by members of the Hierarchy, national bureaus and other activities of the Church, many Religious Orders, Catholic and general publications, as well as business houses who wish to address, quickly and correctly, the personnel of the Church in the 50 states. This service is available only to reputable concerns and its indiscriminate use is not permitted.

★ *Before* you plan your next mailing, study the manifold, unique features, the speed and economy of O. C. D. Addressing and Mailing Services. For latest list counts, rates, instructions, samples and other data write or phone

# Historic "Old World" Church Receives Schulmerich® Bells

Just recently, a new Schulmerich "Basilican"® Bells Instrument was installed in this picturesque, 1,000-year-old Church of St. Donato, on the island of Murano, Venice, Italy.

The Bells were presented by His Holiness Pope John XXIII, who selected the Cathedral of St. Donato for the installation after the blessing and acceptance ceremony by His Holiness in the Vatican on May 10, 1960.

*His Eminence Giovanni Cardinal Urbani, Patriarch of Venice, is shown blessing the Schulmerich "Basilican"® Bells at the time of the formal dedication of the Bells at St. Donato's Cathedral.*

*WE ARE PROUD THAT OVER 6,000 BELLS AND CARILLON INSTALLATIONS THROUGHOUT THE WORLD BEAR THE NAME SCHULMERICH.*

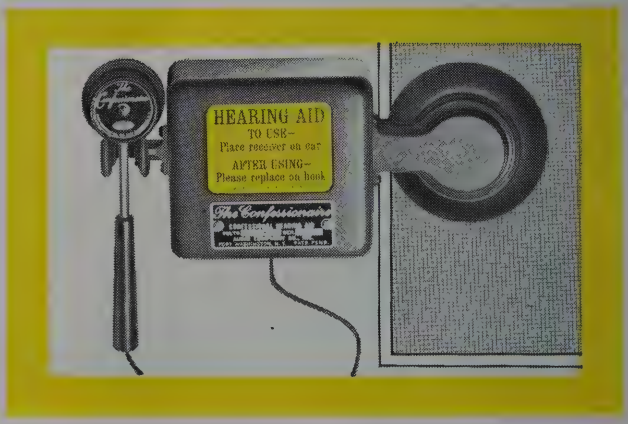
# MUST they AVOID confession... rather than ADMIT they CAN'T HEAR you?



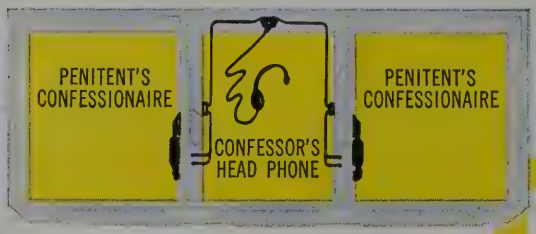
When penitents with impaired hearing must strain to grasp the confessor's individual *words* . . . the true *meaning* of the sacrament is largely lost to them.
It is easy to understand the embarrassment these sensitive people feel — *why* they slink past the confessional, ashamed to reveal their affliction.
Yet often they *need* the solace *most* . . . and there are *more of them* than many realize. The Apostolate for the Deaf and Hard-of-Hearing has made a life-time study of this subject. Reverend George J. Haye, co-Director, reports that *18%* (1 in 6) of all Catholics suffer impaired hearing and as a direct result "may become disposed to lose their precious faith."
This potent but "invisible barrier" to confession can be overcome readily — with Confessionaire, the ideal hearing aid for confessionals. Over 6000 Confessionaire installations are already in regular use in churches throughout the United States and Canada.

**NEW "TP" MODEL — MINIATURIZED**

In the new miniaturized "TP" model, an unobtrusive (4½ x 5 inch) case houses an efficient, noiseless, *transistorized* amplifier that simply plugs into any standard outlet.
Confessionaire is as effortless to use as a telephone. The penitent merely holds the convenient receiver to his ear . . . *without in any way revealing his handicap.* Suddenly the priest's whispered words become clear and distinct and comforting.

**30-day FREE TRIAL!**

You are invited to use a sample Confessionaire (or Duplex installation) in your own church for 30 days, without obligation. Unless you are completely convinced that it lightens the confessor's work and brings blessed comfort to those in need . . . simply return the equipment and owe us nothing.



**Effortless to use as a telephone.**

New "TP" (transistor-powered) Confessionaire Model S-184. "Miniaturized" in size, unobtrusive in appearance, 3-year guarantee. Complete, ready to plug-in.....**$79.50**

**Simple accessories *extend* hearing assistance to the confessor, when needed. See below, left.**

(TOP VIEW)

Complete DUPLEX installation, with Confessionaire in each penitent's booth, plus one No. 2 Accessory Kit. (Priest's headphone, sliding panel switches and all necessary wiring.) **$176.50**

# Confessionaire

New 16 page illustrated brochure describes Confessionaire in detail, pictures its ease of operation and simple installation. Also tells how Confessionaire may aid the "hard-of-hearing" confessor, as well.

# The Priceless Extra of Experience

Think for a moment of the many choices we make in life which are determined by our confidence in somebody's experience.

Choices in important things, like selecting a doctor, a lawyer, or an investment counselor. In less important things, like having something repaired. In even minor, everyday, personal problems, where we want wise guidance.

So deeply ingrained is this basis for choice in all our actions, it comes as no surprise when so many experienced travelers say that this is why, when they fly overseas, they put their trust in Pan American.

For Pan American *is* "The World's Most Experienced Airline"—in years of flying over the seven seas—in every type of transport plane—in fine mechanics who maintain these planes—in pilots and engineers who fly and navigate them—in all the many services to care for you before you embark, while on your flight, and when you land. All under the high discipline of U.S. flight standards.

A Pan American traveler is a *confident* traveler, reposing his trust in these years of experience in getting you from here to there—comfortably, dependably, serenely.

*It's a great experience to fly with experience on Pan American.*

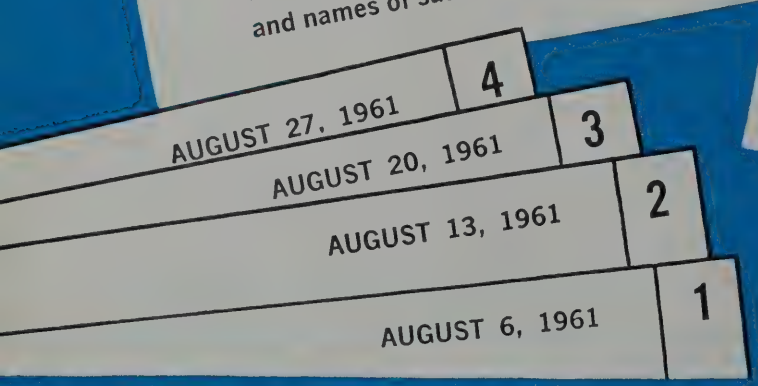
# YOUR CHOICE OF CHURCH FINANCING PROGRAMS

## CATHEDRAL Monthly Mailing Plan —



Here is a proven, positive way to increase your church income — by as much as 50% or even more. This is the way the plan works:

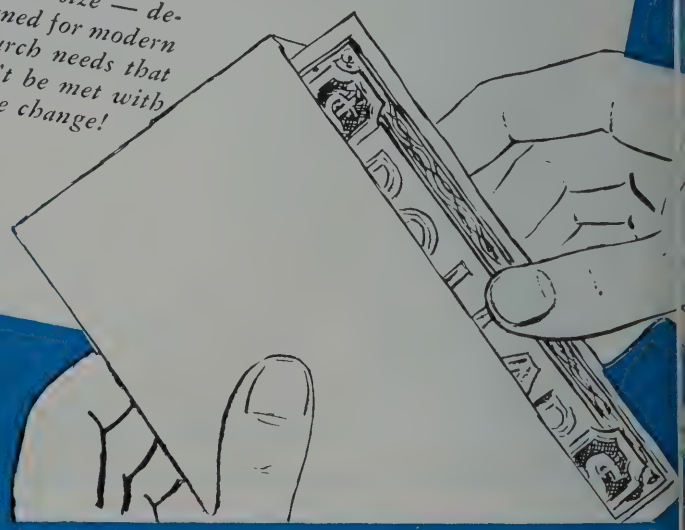
Each month, *WE* mail a month's supply of envelopes to every adult member of your parish, covering the following full month of Sundays, Holy Days and special collections.

The Monthly Mailing Plan completely eliminates your envelope distribution problems. It serves as an unfailing monthly reminder to use the envelopes and supplies new parishioners with envelopes immediately. The plan encourages attendance at Mass. It relieves parish priests of the necessity to discuss money from the pulpit. Instead they can devote the time to spiritual matters. Monthly mailings help keep an up-to-date parish census. In short, they pay for themselves many times over.

No Freight Involved — Distance No Factor.

**Write today for detailed information and names of satisfied users.**

## CATHEDRAL ENVELOPES For Annual Distribution



Should you prefer to handle your own annual envelope distribution, CATHEDRAL can supply sets of printed envelopes in the standard size, or in the modern dollar size.

Because coins are no longer adequate to meet parish financial needs, the trend today is toward this larger type of envelope. CATHEDRAL envelopes are available with your choice of pull flap opening or sealed perforated end.

CATHEDRAL Envelope Company has been supplying envelopes to churches throughout the United States for more than 43 years. We supply the envelope needs of over 5,000 churches year after year.

Let us know your requirements and we will be pleased to quote at no obligation.

*Dollar size — designed for modern church needs that can't be met with loose change!*

# The Encyclopaedia that's designed to be 5 grades deep!

Britannica Junior is designed especially to meet the needs of boys and girls at the elementary school level. No attempt is made to cover subjects beyond this level. All material is directed toward the special interests of elementary school children—content is as wide as a fourth grader's curiosity, coverage deep enough for an eighth grader's probing.

Not only is each subject covered more thoroughly, but the vocabulary is kept simple. Each article is more easily understood—more stimulating to young minds. Large type, colorful illustrations, simple diagrams and short sentences are just a few of the features that make Britannica Junior the ideal encyclopaedia for elementary school children.

And, of course, continuous revision keeps Britannica Junior up-to-date in current events and keeps it in step with new methods of teaching.

## *Will Serve You Best!*

- Fund-raising guidance is in keeping with the traditions and precepts of the Church.
- Maximum giving is inspired only through purely selfless Catholic giving motives free of any memorial-type inducements.
- Our directors are expertly trained, thoroughly experienced and permanently employed. We have no part-time personnel.
- Parishioners are thoroughly informed of the appeal through a comprehensive educational and publicity program.
- Total presentation of appeal and 100% coverage are realized through use of tabloid-size, 'Fair Share' Plan newspapers written and laid out by our directors.
- Thorough and effective solicitation is carried out by a completely organized and fully-prepared force of parishioners.
- This organizational effort makes possible virtual completion of solicitation in a single Sunday afternoon.
- Length of the campaign and expenses are kept at optimum level through efficient application of the 'Fair Share' Plan.
- A simplified collection system is installed to facilitate ease of payment and provide you with an accurate current record for each pledge.
- Post-campaign supplementary services are provided during the entire payment period at no additional cost to you to assure maximum cash conversion expectancy of pledges.
- Enduring intensification of good will and parish solidarity are important by-products of a 'Fair Share' Plan campaign.
- The 'Fair Share' Plan is equally effective for diocesan, area-wide, parish and institutional appeals for capital funds or increased income.
- Amounts subscribed to 'Fair Share' Plan multi-parish campaigns in no instance include assessments made on parishes.
- Counselling emanates from the top. A single, centrally-located office provides effective coordination and supervision.
- Pre-determined fee is fixed independent of the amount of oversubscription.

CCS
Two Men...
...A Need...
...$400,000,000

# ...the 400 million dollar mark has just been passed by Community Counselling Service in funds raised for The Catholic Church

*Gerard J. Janeske*
*Chairman*

*Francis K. Zimmermann*
*President*

THIS remarkable sum has been raised by CCS since 1947 when the firm was founded by Francis K. Zimmermann and Gerard J. Janeske. These pioneers in Catholic fund raising were stimulated to establish CCS at the suggestion of various clergy and laity they had met during their previous careers in the field of Catholic social work and community organization.

Early successes in parish fund raising spread the work of the firm from one diocese to another, across the United States and into Canada. Today, CCS is the largest all-Catholic fund raising firm in the world and has directed successful fund raising appeals for Catholic parishes, dioceses, hospitals, colleges, seminaries, motherhouses, retreat houses, shrines, charities, societies, and an unending variety of Catholic projects.

Perhaps part of the $400 million is the result of a campaign CCS directed for you. If it isn't, why not be part of $100 million CCS expects to raise in 1961?

CCS

## is Number One...

- Over 100 full-time Catholic personnel
- CCS has conducted campaigns in thousands of parishes and for hundreds of institutions
- 10 offices throughout the United States and Canada to serve you
- Pioneers of Increased Weekly Income Campaigns
- Fixed, Flat Fee (Never a percentage)
- Follow-Up services for all campaigns at no extra cost.

## *Over 100 million dollars raised in '60 . . .*

Four of our proudest achievements last year were the multi-million dollar campaigns directed for . . .

THE ARCHDIOCESE OF NEW YORK

THE DIOCESE OF BROOKLYN

THE DIOCESE OF CAMDEN

THE DIOCESE OF ROCHESTER (Monroe County Catholic High School)

OVER $75,000,000 WAS SUBSCRIBED TO THESE CAMPAIGNS.

Some of our other achievements during 1960 are listed on the following page.

## *We're even breaking our own records . . .*

"107 Parish Campaigns 'Over the Top' in 1960" . . . an unparalleled record in Catholic parochial fund raising. CCS directed these campaigns throughout the United States for new churches, convents, rectories, debt reduction, increased weekly income, etc. ALL 107 went over—and many way over—their minimum goal. That's an average of almost one successful campaign every three days.

## *North . . . South . . . East . . . West . . .*

For the past few years CCS has been conducting campaigns from coast to coast, throughout the United States and Canada. Last year CCS directed a campaign in Mexico and another in Anchorage, Alaska for a new high school.

## *Expanded Follow-Up Department . . .*

The amount of cash collected is the real test of a campaign's success. After the active phase of the fund raising is completed, the CCS Follow-Up Department assists in the collection of pledges. This service is provided at no additional cost. During 1960 CCS expanded the staff of the department to provide its clients with the finest service possible.

## *New Public Relations Department . . .*

There is a growing need for public relations counsel on the part of many of our Catholic institutions—universities, colleges, secondary schools and hospitals—and Religious Orders throughout the United States and Canada. To meet this need, CCS has established a Public Relations Department through which it will offer the same type of experience that has made it the largest Catholic fund raising firm.

Father James L. Harrison,
Principal of St. Pius X
High School, Atlanta, says:

# "Honeywell students get

*Students at St. Pius X High School are able to concentrate on their classwork because the Honeywell thermostat on the wall helps them keep alert.*

# thermostats help our more out of classwork"

*Architect: N. J. Pascullis, Macon*

## Year-round air conditioning allows St. Pius X teachers to adjust temperatures to fit specific school activities.

"We believe students must be comfortable to do their best," says Father Harrison. "That's why we completely air-conditioned St. Pius X High School. And we count on Honeywell thermostats to assure our students the best possible temperatures for learning."

A Honeywell thermostat on the wall of each classroom lets the teacher adjust the temperature to offset varying effects of weather, occupancy and student activities. This assures maximum comfort for both teachers and pupils at all times. Helps both do better.

And St. Pius X High School proves again that air conditioning can pay for itself. The architect was able to design a compact building, the core of which could be put to maximum educational use. As a result, the school cost no more to build than a conventional building. And it is expected that the cost of operating the system will pay for itself through reduced cleaning, painting and decorating costs.

Your school will also benefit from Honeywell temperature controls. Honeywell will work with your architect, consulting engineer or air conditioning contractor from planning stage to completion. Ask them about Honeywell. Or write Honeywell, Dept. OC-5-98, Minneapolis 8, Minnesota.

**Samsonite** CHAIR BUYER'S GUIDE

# HOW TO BUY A FOLDING CHAIR IN 6 EASY LESSONS

**1** **STEP ON IT!** Step hard on back rest (as shown). If chair is a Samsonite, observe: contour steel back won't give an inch. No back rest made is stronger—or more comfortable!

**2** **STAND ON IT!** Stand on rear of seat; lean back. If it's a Samsonite, don't worry. Samsonite chairs *never* tip over. Perfectly balanced. Amazingly strong, too. (The man above weighs 240 lbs.)

**3** **"UNBALANCE" IT!** Place book or pads under leg of chair. Sit, as shown. If chair tilts or wobbles, it's not a Samsonite. All Samsonite folding chairs are *self-leveling*.

**4** **"TORTURE-TEST" IT!** Lift front legs off floor; "walk" chair forward and sideways. Only super-strong construction (Samsonite's electrically welded tube steel) can take this kind of punishment repeatedly.

**5** **FOLD IT!** Grasp chair back; put foot on cross brace; pull gently. Samsonite chair will fold easily. (While you're at it, place finger in seat hinge. No danger. Samsonite *safety* hinge can't pinch.)

**6** **SIT IN IT!** Instantly you'll know the difference. Observe that Samsonite folding chairs are contour-designed (both seat and back rest) for maximum comfort. Good looking, too.

# Educational Television at Work

● The location is a typical, rapidly expanding state college—the TV equipment and installation are by Sarkes Tarzian, Inc.

This school was faced with the problem of keeping pace with the dynamic growth of its surrounding community. School officials realized they would have to take advantage of the latest—most modern educational techniques to maintain and improve the quality of their educational product. So, they called in consultants from the ETV department of Sarkes Tarzian, Inc. Together, the engineers from Tarzian and school representatives planned and designed a comprehensive Educational TV facility—tailor-made to meet their exact requirements.

As the list of Tarzian ETV users indicates, both large and small schools alike are using Sarkes Tarzian equipment to insure the continuing quality of their educational product and to meet the demands of ever increasing enrollments. They have found the quality they expect and demand in Sarkes Tarzian equipment. They know we have always stressed simplicity and reliability in operation . . . flexibility . . . ease of maintenance . . . low initial cost as well as low operating cost.

Tarzian systems are designed and sold specifically to suit individual applications. This means that you buy no unnecessary equipment, and you have the satisfaction of knowing your installation has been designed and equipped to meet your needs. Whether it be one small camera and monitor or an extensive facility, your Sarkes Tarzian ETV system need never become obsolete nor inadequate, for Tarzian's modular concept allows you to add necessary additional equipment—compatible with your original installation—as growth demands. And, at the same low costs.

An early developer of ETV systems, we have been designing and producing broadcast equipment since 1949. Today, we offer a complete line of broadcast and closed circuit equipment—one of the nation's leading suppliers of TV equipment for educational use. We invite you to take advantage of our experience in the field. Our complete technical consulting facilities are at your disposal. And, we think you'll find it beneficial to call in an expert—early—when you first start talking about ETV.

We'll be happy to work with you . . . show you what can be done . . . what other schools are doing . . . and submit a proposal on LOW COST, HIGH QUALITY Educational TV—designed to meet your requirements. Write or call, at no obligation: Educational TV Department, Broadcast Equipment Division, Sarkes Tarzian, Inc., Bloomington, Indiana.

# THE IMPRISONED POPES

Chains more binding than those forged from steel kept five popes imprisoned for almost 60 years.

When Pius XI emerged from the Vatican on July 25, 1929, he became the first Pope to leave its gates since 1871. This moral self-imprisonment was in protest against the confiscation of papal provinces and powers.

In the World Book Encyclopedia, Church history —like all history—is treated in interesting detail. Special editorial techniques, including tested visual aids, make World Book an invaluable aid to modern education—in the school, in the library, in the home.

## ABOUT FUND-RAISING COUNSEL

### EXPERIENCE

In the skilled hands of an organization devoted for many years to Church fund-raising, the possibilities for success are multiplied many times. Since its founding over 56 years ago, this firm has had the privilege of directing campaigns which have raised more than $1,800,000,000. The majority of these campaigns have been for Church causes.

### THE DIRECTOR

Next to experience and integrity of the firm, of vital importance is the person who will direct the appeal. This director, aside from experience, must have good character and personality, good judgment, a Christian concept and background, and the "know-how" to muster all the forces to serve most effectively the cause. Our directors have an average of over 14 years with this firm and have had outstandingly successful records in the Church and the Church-area campaigns they have served.

### "PLAN PROPOSED"

A most important consideration in retaining fund-raising counsel is the "Plan Proposed" and its record of success. This plan provides: 1) The funds required 2) The "added values" a Church appeal should have in spiritual advance overtones 3) Completion of the appeal's project in a relatively short time with substantial savings in expense.

**RECENT OVERSUBSCRIBED CAMPAIGNS FOR THE CHURCH AND HER INSTITUTIONS INCLUDE:**

St. Joseph Hospital, Memphis, Tennessee, $1,000,000; Cathedral of St. Raymond, Diocese of Joliet in Illinois, $2,567,631; Queen of the Valley Hospital, Napa, California, $353,720; St. Joseph Memorial Hospital, Murphysboro, Illinois, $615,239; Mercy Hospital, Devils Lake, North Dakota, $249,083; Church of the Little Flower, Springfield, Illinois, $280,904; St. Francis de Sales Church for Bennington Central Catholic High School, Bennington, Vermont, $344,980; Holy Rosary Slovak Church, Chicago, Illinois, $204,071; Catholic High Schools, Diocese of Joliet in Illinois, $1,455,000; St. Mary's Hospital, Kankakee, Illinois, $912,226; Regina Nursing Home and Home for the Aged, Evansville, Indiana, $753,969; St. John's Hospital, Oxnard, California (2 campaigns) $992,172; and St. Joseph Hospital, Joliet, Illinois, $1,806,464.

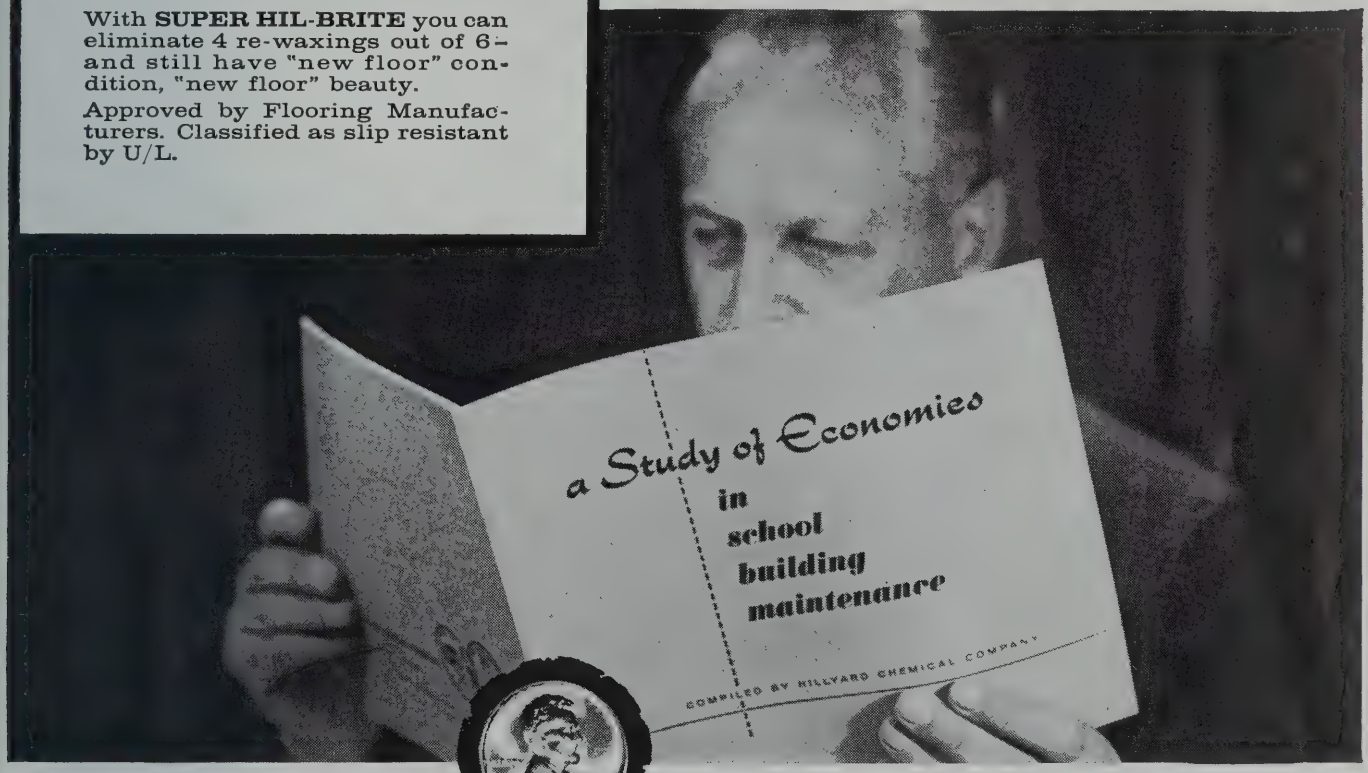
# THE REAL TRUTH about Floor Care Savings:

## *There is no economy in buying "cheap" products!*

### WHAT DOES THIS MEAN TO YOU?

Take waxing. Let's suppose you are considering two waxes, Wax "A" and Hillyard SUPER HIL-BRITE®.

**WAX "A"** costs less per gallon, but you must strip and rewax far too often.



With **SUPER HIL-BRITE** you can eliminate 4 re-waxings out of 6—and still have "new floor" condition, "new floor" beauty.

Approved by Flooring Manufacturers. Classified as slip resistant by U/L.

Sure, you can save money—until you start using them!

Says the latest Building Experience Exchange Report.* "It costs 49.8¢ a year to maintain a square foot of floor space. Of this 49.8¢, only 2.3¢ goes for materials.

## FOR THOSE WHO USE THE CATHOLIC DIRECTORY

*The exact page location of the various sections of the Directory mentioned in this Foreword may be found by consulting the alphabetical index on page vi.*

**A Public Service**

Each year the editors of the Official Catholic Directory seek new ways of being of service to those who support it. Although the time may never be reached when the book will contain all that it could possibly have to be perfect in this respect, the latter is a goal towards which we are constantly aiming. After all, the Directory, in a broad sense, is no private enterprise carried on for purposes of personal profit. It is a work supported by its users as a public service and, as such, the format, arrangement and editorial features must be directed towards the convenience and needs of the public it is designed to serve. Nor does this policy stop with the editorial contents. The advertisements in the Directory are accepted by us with the user of the Directory in mind. It has always been our proud boast that our advertisers are *selected* rather than *solicited*. Before they appear in the Directory, the editors have made certain that the potential consumer can safely place full confidence in their products.

With this dedication to the public good in mind and because of the many editorial features and improvements constantly being included in the Directory, we believe it wise to devote some space and time towards giving you a clearer, more comprehensive idea of what the Directory contains and how to use these contents to best advantage. First then, we list a short summary of the parts of the book, after which we explain how they may be used.

**What the Directory Contains**

1. List of the Governing Bodies in Vatican City.

This is a list of all the officials, beginning with the Pope and continuing through the College of Cardinals. The duties of each of the Sacred Congregations and Offices together with its officials are given. A list of the National Colleges in Rome, together with a chronological table of the Popes, completes the Section.

2. List of the Provinces of the United States.

This is a list of all the Archdioceses and Dioceses of the United States arranged under the provinces to which they belong. The names of all Archbishops and Bishops together with appointment and consecration dates are given.

3. Detailed Reports from Archdioceses and Dioceses of the United States.

This section, forming the largest part of the book, gives the most detailed information on the Catholic Church in the United States. Examples of its wealth of information will be given later.

4. Detailed Reports on U. S. Possessions and Those Parts of the World in which American Priests and Religious Labor in Missionary Work.

This section contains substantially the same information on foreign territories as the preceding one does concerning the Catholic Church in the United States.

5. Special Listing of the Organization and Personnel of the National Catholic Welfare Conference.

6. General Statistics on Religious Orders of Men and Women.

In this section each Religious Order lists the number of Provinces it maintains, the superiors of the Provinces, the number of various classes of religious in the province, the number and kind of institutions it serves or maintains and the Dioceses in which its members are working. It is preceded by an exhaustive cross index.

7. A special listing of those societies engaged in missionary work giving the nature of their work, the territories in which their members are engaged and the local boards in various cities which aid or support them.

8. A list of the cities, towns and villages in which there is located a church with a resident priest or a Catholic institution, or both.

This section lists each city, the state in which it is located and the abbreviation of the Archdiocese or Diocese to which it belongs. A key to these abbreviations is given on a special page located immediately preceding the alphabetical list of places.

9. List of the Hierarchy of the United States alphabetically arranged, together with their addresses.

10. List of the Hierarchy of the United States arranged according to their seniority.

11. An alphabetical list of the Clergy, which includes all priests, both Secular and those belonging to a Religious Order or Community.

This list gives the diocese to which the priest belongs, the city and street address or institution at which he now resides, or his last known address.

12. Necrology of the United States Hierarchy and Clergy.

Here are listed alphabetically all those prelates and clergymen who have died since the last issue of the Directory. The address and diocese of each are given, together with the date of death.

13. A General Summary.

This is a general recapitulation of the statistics of each Archdiocese and Diocese. Total numbers for the United States and its possessions are given.

**How to Find Things . . .**

All these things the Directory contains—a wealth of names, statistics and relevant data such as few other books of reference encompass. It is indeed so much matter placed together in limited space that one may be excused a certain perplexity as to the quickest way to secure some particular point of information. A few pointers, then, may not be amiss.

**. . . About the General Plan . . .**

Each of the Reports of the various Archdioceses and Dioceses is alike in so far as the general layout is concerned. There is first a list of Officials. Then the churches in the See City are given, alphabetically arranged. This is followed by

a list of the Churches outside the city, alphabetically arranged according to places of location. With each Church are listed the parochial schools, missions, stations, and cemeteries associated with it. (Parochial cemeteries are identified by [CEM]; interparochial or joint cemeteries by [JC].) Following this is a listing of the Institutions of the Diocese. In the listings, arrangement of these Institutions follows closely the order of their presentation in the General Recapitulation. Postal delivery unit numbers are printed following street addresses in the diocesan listings. After the Institutional listings, there are summaries of the Religious Communities of Men and the Religious Communities of Women in the Diocese; a list of Diocesan cemeteries, if any; a Necrology listing those priests who have died during the year and, lastly, a Diocesan Recapitulation of Statistics.

**. . . About Prelates . . .** Let us suppose you want to know something about a prelate. If you know his name, the best place to look first is in the Alphabetical list of Secular and Regular Priests of the United States. This will give his full name and address as well as the Diocese to which he belongs. Upon turning to the Diocese, you will find, usually, the dates of his ordination, appointment and consecration, as well as the dates of his transference in the event he served in any other Diocese. You will usually also find his secretary's name and address, a point of information sometimes very useful. If you want to know what place he would take in solemn procession, consult the Seniority list of Bishops which immediately follows the Alphabetical list of Bishops and immediately precedes the Alphabetical List of Secular and Regular Priests.

**. . . About Officials . . .** In the event you wish some information concerning Diocesan officials, the Superintendent of Schools, let us say, you will find it in the Administrative Officials section directly under the name of the Bishop in each Diocese. In most cases both home and office addresses are given. You will also discover the ecclesiastical degrees and sometimes the higher educational degrees which should follow his name and formal address. All the officials connected with the governance of the Diocese are listed in this section. In the event that the address of the official you seek is not given, look him up in the Alphabetical List of Clergy.

**. . . About Places . . .** The place list of cities and towns in the United States tells you at a glance to just what archdiocese or diocese any particular one belongs. The cities and towns are arranged in strict alphabetical order and are followed by the abbreviation of the Archdiocese or Diocese where located. When a town has no post office, the correct mailing address or Post Office will be found in italics, immediately following the town desired, e.g. Reno, Iowa *Cumberland P.O.* DM. The Post Office address will be found in its alphabetical position with the name of the town where the church or institution is located immediately following in Roman type, e.g. *Cumberland, Iowa* Reno DM. Different localities have particular ways of abbreviating Rural Free Delivery. You will encounter it as: R.F.D.; R.R.; R. A key to the Diocesan abbreviations used will be found conveniently placed immediately preceding the alphabetical list of places.

**. . . About Statistics . . .** If you are interested in securing statistical information you can find it in the individual Recapitulations at the end of each Archdiocese and Diocese. These Recapitulations give the number of Institutions and the number of people attending them for the entire Diocese. We have taken from these Recapitulations those figures we consider to be most vital and summarized them in a general Recapitulation giving totals for the entire country. This will be found directly after the Clergy List and Necrology.

**. . . About Clergymen . . .** If you know the clergyman's name, the fastest way to discover his address is to look in the clergy list. This will give you his Diocese and address. If there is a number in brackets in the listing, he is stationed at the Church bearing that number in the city and Diocese indicated. The numbers are inserted only for Churches in the larger cities having ten or more Churches. If you are not sure of his name but know the city or town he is in, look that up in the Alphabetical list of places. This will give you the Diocese. The first priest's name in a parish listing is that of the Pastor unless otherwise identified. Often a parish has both a Pastor and an Administrator. In such instances, the latter's title is spelled out and the listing follows that of the name of the Pastor.

**. . . About Religious Order Priests . . .** Those priests belonging to Religious Orders are listed at the Churches and Institutions they serve. You will find at the end of each Diocesan report a list of the Religious Communities of Men active in that Diocese and the Churches and Institutions at which they are stationed. If you should desire further information about any particular order you can consult the Index to Religious Orders which directs you to more detailed and comprehensive information concerning the order. Since many Religious Order priests are engaged in Missionary work outside the United States the abbreviation of that province of his order to which he belongs is given, as well as his mailing address.

**. . . About Brothers . . .** In the United States, as well as in other countries, there are men who, while not ordained priests, live in community in the same manner as Religious Order priests. Some of these men are attached to Religious Orders of priests while others have formed their own Religious Community. Thus, in the Society of Jesus, there are ordained priests and brothers. On the other hand the Brothers of the Christian Schools, for example, have no connection with any Religious Order priests. You will find immediately following the Statistics on Religious Orders of Priests a listing of the Orders of Brothers who are independent of Religious Orders of Priests. Those Brothers who belong to Religious Orders of Priests are listed with their Order in the section devoted to Religious Orders of Priests.

**. . . About Nuns . . .** There are approximately 275 different Religious Communities of Women operating in the United States. To find general statistics on any particular one the first thing to consult is the Statistics of Religious Orders Section. Here you will find the number of Sisters, Postulants, Novices, etc. of each province, the number and kind of Institutions they maintain or serve and a listing of the Archdioceses and Dioceses in which they are represented. If you want to know, therefore, where the motherhouse of the nuns teaching at a certain school is located you have only to look the name up in the Religious Order Section. On the other hand, if you wish to know whether a certain order is represented at a certain school, you have only to consult the list of Religious Communities of Women in the Diocese, which you will find at the end of the report of each Archdiocese and Diocese.

**The Complete Edition** As you probably know, the Catholic Directory appears annually in three different forms. Volume One is the United States edition and contains information only on those Dioceses in the United States and its possessions. Volume Two is the Complete edition and contains everything in Volume One to which

are added also Diocesan reports for Canada, Ireland, England, Scotland, Wales, Australia, New Zealand, Oceania, Bermuda, Cuba, Mexico and the Philippines. These reports for Canada are similar to those for the United States. There is also a List of Places for Canada which may be used exactly as the United States Place List. Volume Three contains everything in Volumes One and Two and is very substantially bound in cloth.

In this attempt to facilitate your use of the Directory, we have tried to cover all the questions which may arise. However, we realize that there may be some special aspect, peculiar to your work, upon which we have not touched. If this is so, please feel free to call on us for further information. As we have said, the Directory is a work of Public Service. Each year refinements and improvements are added. With your cooperation there will be more of these in the future. It is your Directory and, ultimately, will take whatever form serves you best. Accordingly, your corrections and suggestions are warmly welcomed.

# PART I

# Hierarchy of the Catholic Church

The Catholic Hierarchy, or the governing body of the Catholic Church, consists of His Holiness the Supreme Pontiff, assisted by the Sacred College of Cardinals and by several Sacred Congregations, or permanent ecclesiastical committees, of which the Cardinals are the chief members; by the Patriarchs, Archbishops and Bishops; by the Apostolic Nuncios and Delegates, Vicars and Prefects, and by certain Abbots and other Prelates.

**HIS HOLINESS THE POPE**

BISHOP OF ROME AND VICAR OF JESUS CHRIST,
SUCCESSOR OF ST. PETER, PRINCE OF THE APOSTLES,
SUPREME PONTIFF OF THE UNIVERSAL CHURCH.
PATRIARCH OF THE WEST, PRIMATE OF ITALY.
ARCHBISHOP AND METROPOLITAN OF THE ROMAN PROVINCE,
SOVEREIGN OF VATICAN CITY.

## JOHN XXIII

**ANGELO RONCALLI**

NOW GLORIOUSLY REIGNING

The direct successor of St. Peter was born in Sotto il Monte, Diocese of Bergamo, Nov. 25, 1881; ordained Priest, Aug. 10, 1904; appointed Apostolic Visitor to Bulgaria and promoted to the Titular See of Areopolis, Mar. 3, 1925; consecrated Archbishop, March 19, 1925; transferred to the Titular See of Mesembria, Nov. 30, 1934, and appointed Apostolic Delegate to Turkey and Greece; Apostolic Nuncio to France, Dec. 23, 1944. Created and proclaimed Cardinal, Jan. 12, 1953; appointed Patriarch of Venice, Jan. 15, 1953. Elected Pope, Oct. 28, 1958; crowned, Nov. 4, 1958.

### VATICAN CITY

By virtue of the concordat signed on February 11, 1929, the Feast of Our Lady of Lourdes, ratifications of which were exchanged on June 7, the Feast of the Sacred Heart, the complete and independent authority of the Pope to rule in his own possessions was recognized by the state. The territorial possessions of the Holy Father are called Vatican City and within its limits the Sovereign Pontiff's authority is recognized as supreme.

The Sovereign of this small state is His Holiness, the Pope.

The government presently is administered by a Pontifical Commission of which His Eminence Cardinal Nicola Canali is President.

The Apostolic Nuncio to Italy is Most Rev. Carlo Grano, Titular Archbishop of Thessalonica.

### THE SACRED COLLEGE OF CARDINALS

The Cardinals, when duly constituted and proclaimed, form the Supreme Council or Senate of the Church. They are advisers of the Supreme Pontiff, and at the death of the Pontiff they elect his successor.

There are three orders of Cardinals, *Cardinal-Bishops, Cardinal-Priests,* and *Cardinal-Deacons;* but these orders are distinct from those of the Hierarchy. With very few exceptions, the Cardinal Priests are Archbishops or Bishops, and the Cardinal Deacons are Priests. The Sacred College of Cardinals, when complete ordinarily consists of 70 members—6 Cardinal Bishops, 50 Cardinal Priests and 14 Cardinal Deacons. (C.F. Canon 231§1)

The Cardinal Bishops take their title from the Suburban Sees of Rome, which are: *Porto and Santa Rufina, Albano, Palestrina, Sabina, Frascati, Velletri.* The Cardinal Dean has united to his See the See of *Ostia.* The Cardinal Priests take their title from the "Titular Churches" to which they are appointed: the Cardinal Deacons are appointed to other Churches called "Deaconies." The first Cardinal Bishop is *Dean;* the first Cardinal Priest is *First Priest;* and the first Cardinal Deacon is *First Deacon* of the Sacred College. The Dean has the right of consecrating, and the First Deacon the right of proclaiming and crowning a new Pope. On the death of the Pontiff, the Cardinal *Camerlengo* has the Administration of the affairs of the Holy See.

(The "creation" of a Cardinal sometimes precedes, even by several years, the "publication and proclamation." The Cardinal is then said to be "reserved *in petto,*" and when proclaimed, he takes the precedence according to date of creation.)

The Diocese of Vincennes (now Indianapolis) was established by decree of Gregory XVI, May 6, 1834, and the See was fixed at Vincennes. The territory then comprised the entire State of Indiana and the eastern part of Illinois.

By a decree of Pius IX, January 8, 1857, the northern half of the State was erected into the Diocese of Fort Wayne. The southern half of the State remained the Diocese of Vincennes.

The second Bishop of Vincennes, by Apostolic Brief, was permitted to establish his residence either at Vincennes, Madison, Lafayette or Indianapolis; the See city, however, to remain at Vincennes. This permission was renewed to the fourth Bishop, with the exception of Lafayette.

On the appointment of the fifth Bishop, he was directed to fix his residence at Indianapolis, but the Cathedral and title of the See were continued at Vincennes. By an Apostolic Brief dated March 23, 1898, the title of the Diocese was changed to that of "Diocese of Indianapolis," with the Episcopal See in the city of Indianapolis. By the same Brief the Patron Saint of the Diocese is to remain St. Francis Xavier, title of the old Cathedral, Vincennes.

On December 19, 1944, by the Executorial Decree of the Papal Delegate, Most Reverend Amleto Giovanni Cicognani, Archbishop of Laodicea, Apostolic Delegate to the United States of North America, the Papal Decree of Pope Pius XII was solemnly proclaimed in SS. Peter and Paul Cathedral, Indianapolis, elevating Indianapolis to the status of an Archdiocese, the State of Indiana being the Metropolitan Area. The Dioceses of Evansville and Lafayette in Indiana were created by the same decree and made Suffragan Sees of Indianapolis.
